

At Mt. Calvary Academy we care about our students, staff, and families. In response to COVID-19, we want you to know the following:

- Students & staff will be required to wear masks indoors. **Please ensure that your child has a personal, clean mask for use.** (Exceptions: meal-times)
- Students & staff will practice social distancing while standing in lines and where possible
- Meals will be received inside of the classroom instead of the cafeteria
- Staff and students will have their temperatures taken before entering the building
- Students will be seated in an arrangement that allows for more space between desks/seats
- Continued high standards of cleanliness and sanitization will be practiced
- Students and staff will have increased opportunities for handwashing
- **Please allow your student to have personal hand sanitizer** to be kept in their back-pack, purse, or locker

MCA is committed to continuing to provide your child with a quality Christian education throughout this time period. We are working hard to make this transitional time period as easy as possible for you and your child.

*"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."* Philippians 4:6-7

In His Service,  
Mt. Calvary Academy
