

## **Non Discrimination Policy:**

MCA will admit students of any race, color, nationality, or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. We will not discriminate on the basis of race, color, nationality, and ethnic origin in the administration of our educational and admission policies or in scholarship, athletic, and other programs.

## **Admissions:**

MCA reserves the right to terminate or not renew a student's enrollment if the school reasonably concludes that the actions of the student, parent, or guardian make a positive and constructive relationship impossible or otherwise seriously interfere with the school's accomplishment of its purposes.

In addition, students are evaluated at the beginning of each school year for eligibility to re-enroll. Academic progress and discipline are the major criteria administration uses in this evaluation. An outstanding tuition balance or poor payment history may also cause a family to be ineligible for re-enrollment.
